Dear xxx,

We are pleased to announce the completion of our **New Canaan Modern Home Survey**. Thank you for your participation in this unprecedented survey of more than 100 New Canaan modern homes. The Glass House and the National Trust for Historic Preservation and The New Canaan Historical Society acknowledge the generous leadership support for this project from the Commission on Culture & Tourism (CCCT) with funds from the State of Connecticut.

We are pleased to invite you to a reception **Tuesday evening September 23, 2008** from 7:00-9:00 pm to join other homeowners, our project team, advisors and funders as we provide a summary of the results and celebrate the generosity of our participants. We look forward to sharing ways the results will be of assistance to you and to homeowners across the state and throughout the country.

Please RSVP to Meri Erickson at meri_erickson@nthp.org or 203-594-9884 x0
